The additional broom closet on the main floor is a perfect place to store cleaning supplies out of the way.

Enjoy exceptional open concept living with this stylish and inviting main floor plan, perfect for entertaining.

Your master suite is a highly functional private retreat, with large windows, his and hers walk-in closets and an exquisite ensuite bathroom.

You're sure to feel welcomed every time you enter your home with this well-lit entryway, featuring full glass front door with sidelights and transom.

Large closets and windows in bedrooms two and three guarantee plenty of space and light.
