The optional pantry is a great addition to ensure you have more than enough storage space in the kitchen.

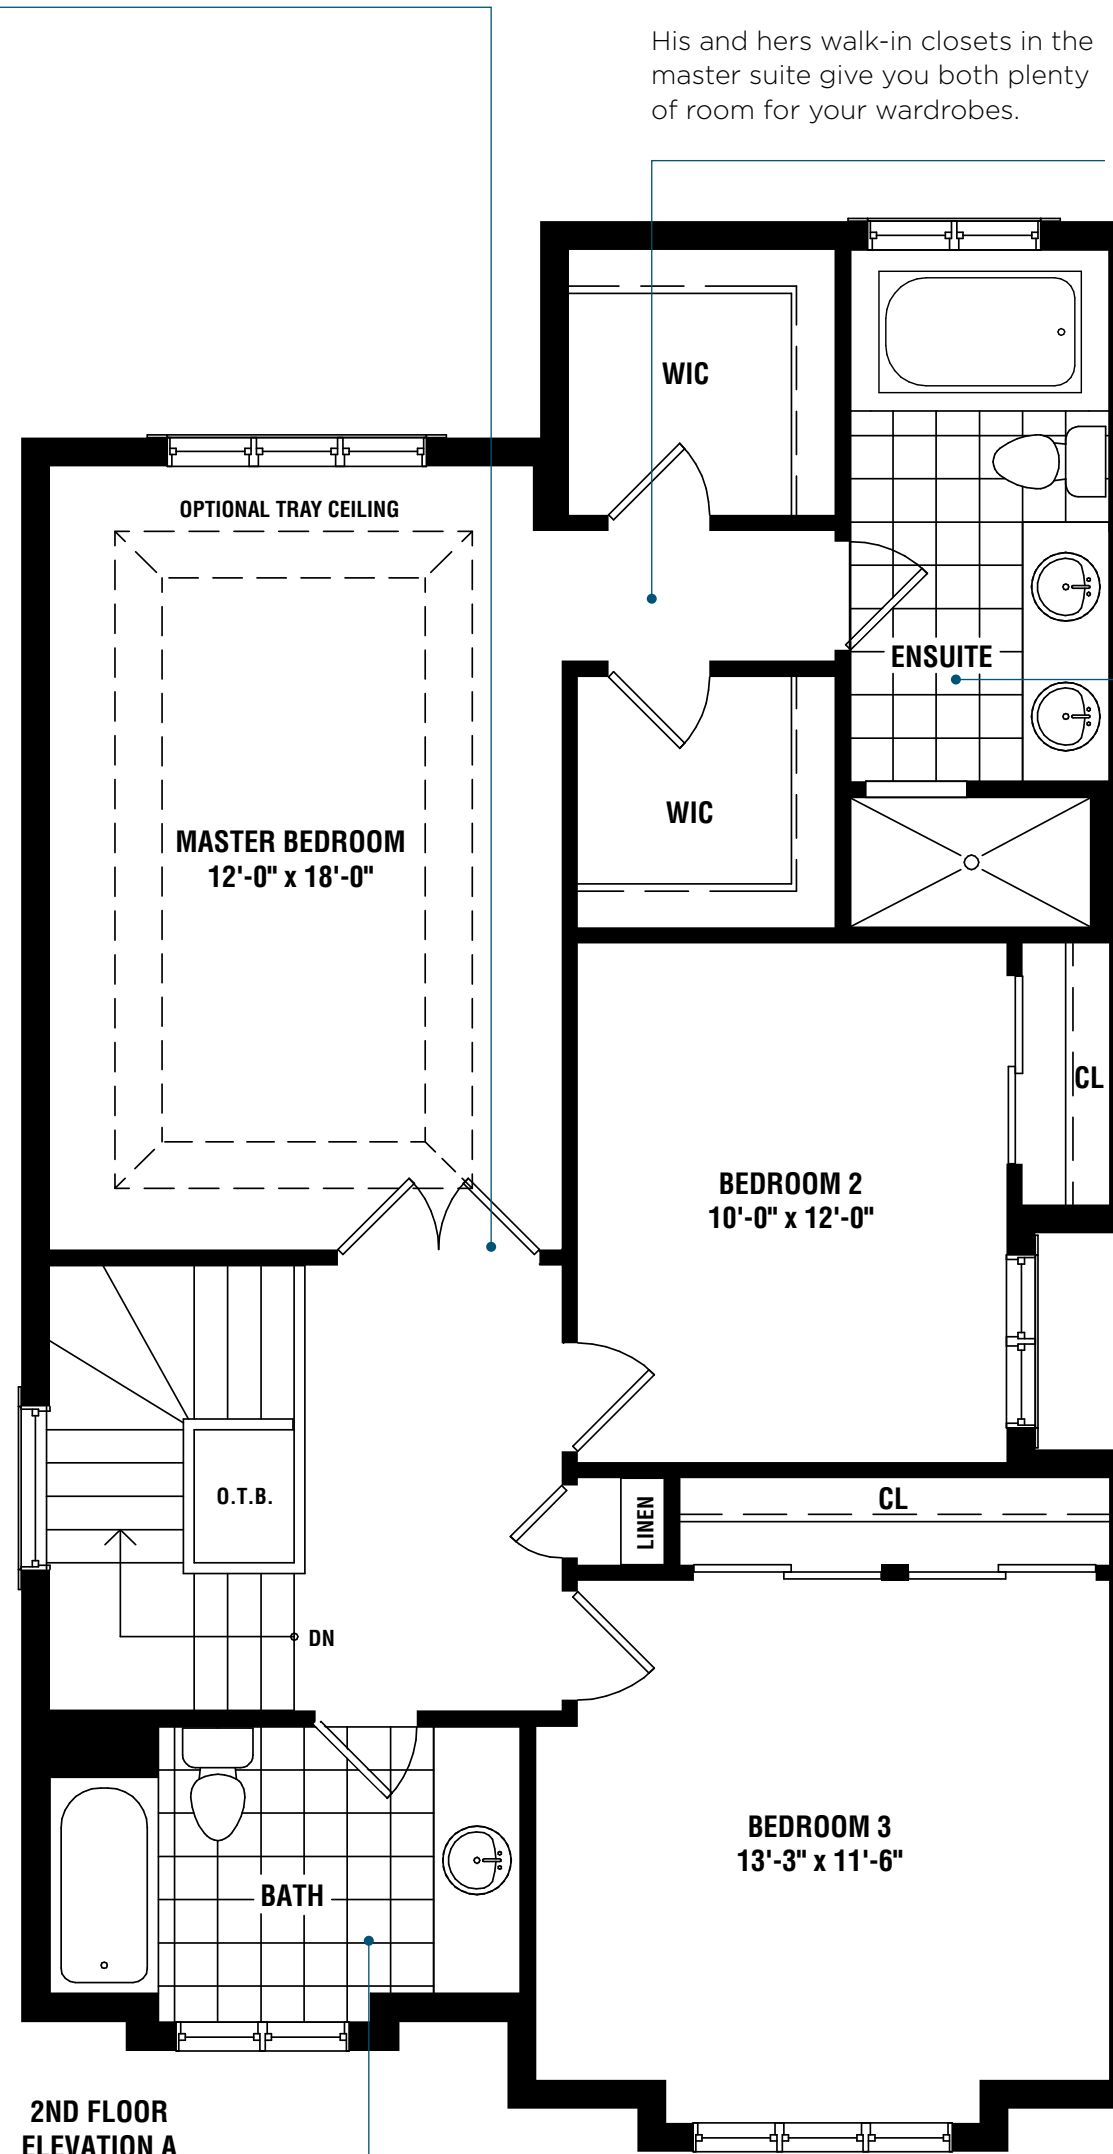

1ST FLOOR ELEVATION A

A powder room is conveniently located near the front of the home for the convenience of your guests.

The main floor laundry room offers direct garage access, creating a convenient hub for maintaining a clean and orderly home.

A double door entry into the master suite cultivates an atmosphere of grandeur and sophistication.

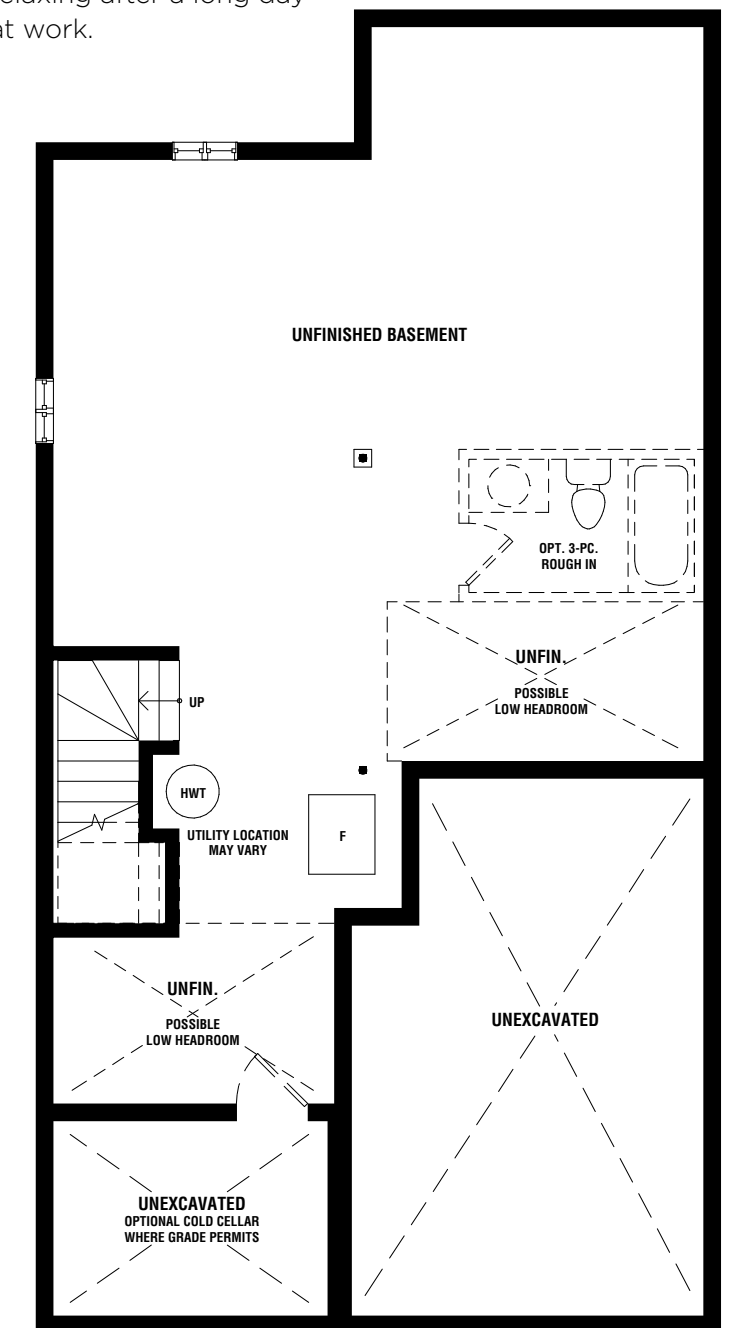

2ND FLOOR ELEVATION A

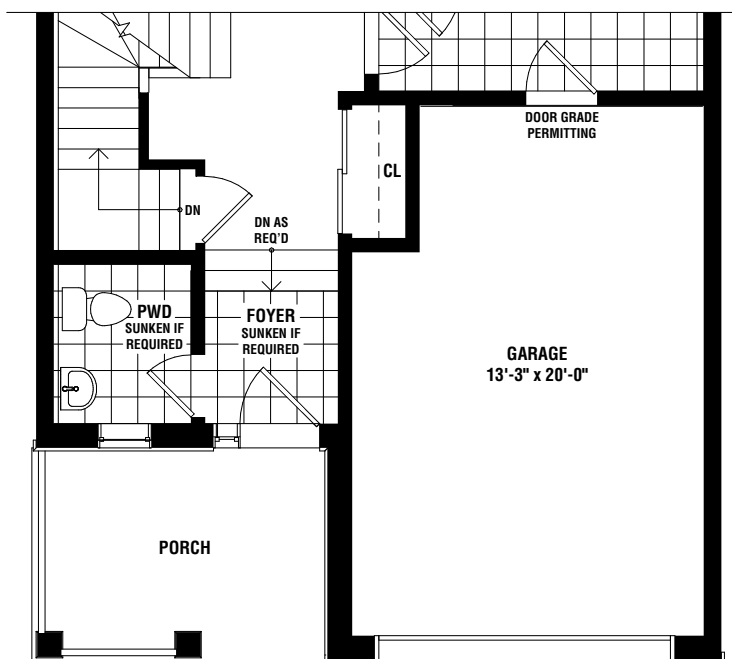

A well proportioned main bathroom makes it easy for family members to comfortably share the space.

His and hers walk-in closets in the master suite give you both plenty of room for your wardrobes.

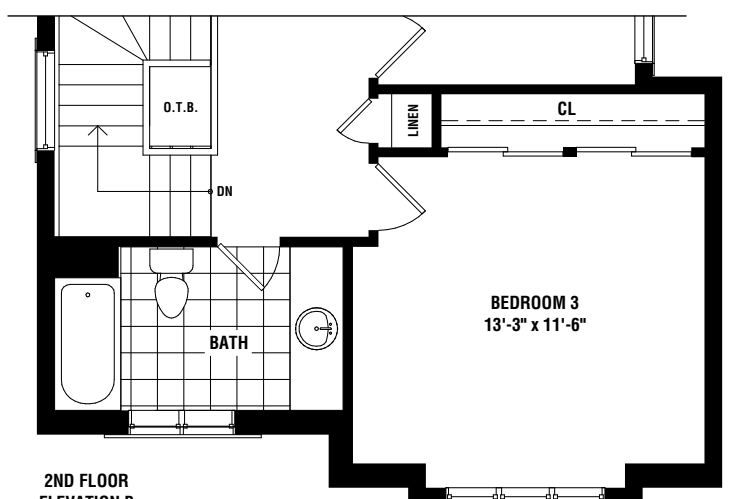

The master ensuite features his and hers sinks making getting ready every morning easier for those on the same work schedule. The oversized soaker tub is perfect for relaxing after a long day at work.
