Enjoy quick and easy family breakfasts with this well placed breakfast bar on the central kitchen island.

Large windows in the great room bring an abundance of light into your home.

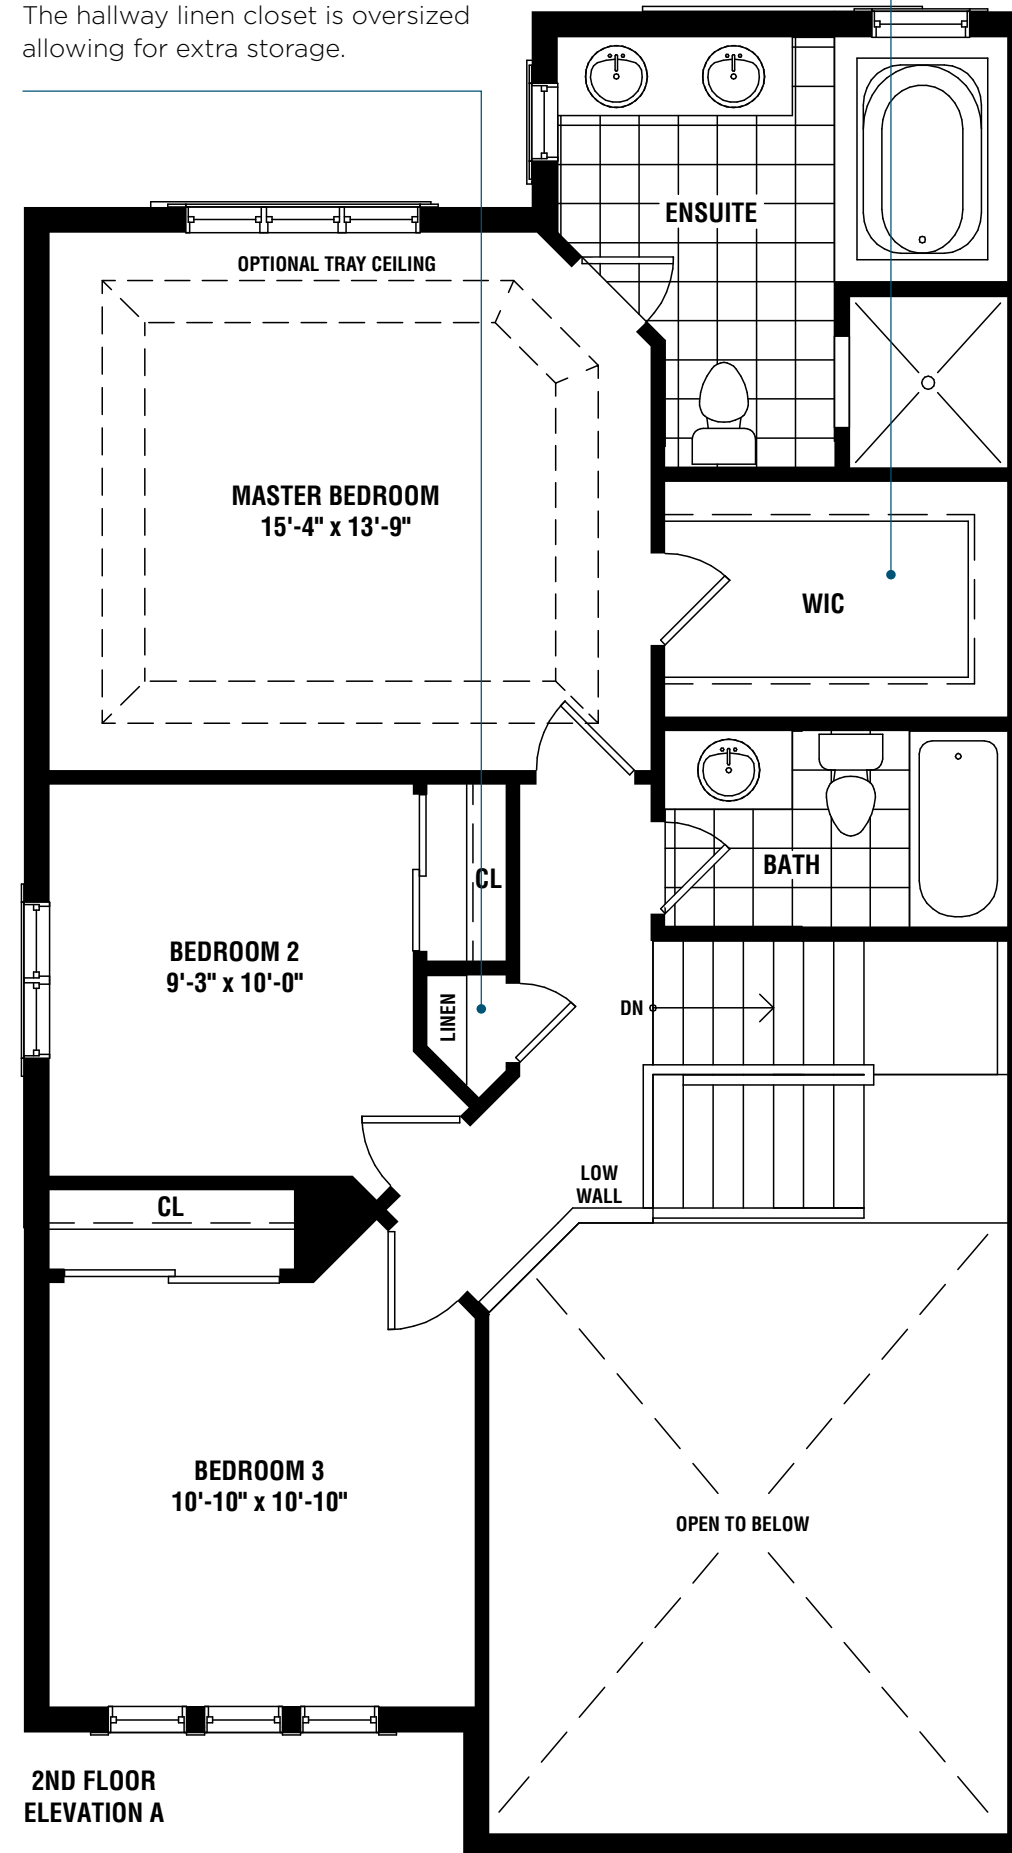

A sunken powder room is conveniently located near the front of the home for the convenience of your guests.

The furniture niche in the dining room allows for a buffet to be tucked away leaving the dining area open for entertaining large groups.

The living room itself is a dramatic space at the front of the home, situated on a split level, with high ceilings open to the floor above.

Spend more time enjoying the outdoors with this spacious balcony off the living room — perfect for a morning coffee.

The hallway linen closet is oversized allowing for extra storage.

The large walk-in closet with room for clothes on all 3 walls ensures you have enough space to keep your clothes organized for all the seasons.
