Enjoy exceptional open concept living with this stylish and inviting main floor plan, perfect for entertaining.

Enter into your new home through a dramatic double door entryway that sets the stage for the luxurious atmosphere within.

This discreet powder room is perfectly placed in a private location.

A second floor laundry room is conveniently situated right at the top of the stairs.

This home's master suite is so spacious you can treat it like your own private apartment, with ample wall space that is ideal for adding additional furnishings such as reading chairs and dressing tables.

Bedroom 3 boasts a beautiful oversized window with vaulted ceilings, making it a perfect choice for use as a den or a nursery.

The large double door linen closet right outside the laundry room makes for quick and easy storage of towels and linens.
