ELEV. A 2680 SQ FT / ELEV. B 2704 SQ FT

An optional gas fireplace is just the thing to bring a little added warmth and light into your great room.

With 2,680 interior sq. ft. to enjoy, the Peony is a large open concept home that is perfect for entertaining. Enjoy quick and easy family breakfasts with this well placed breakfast bar on the central kitchen island.

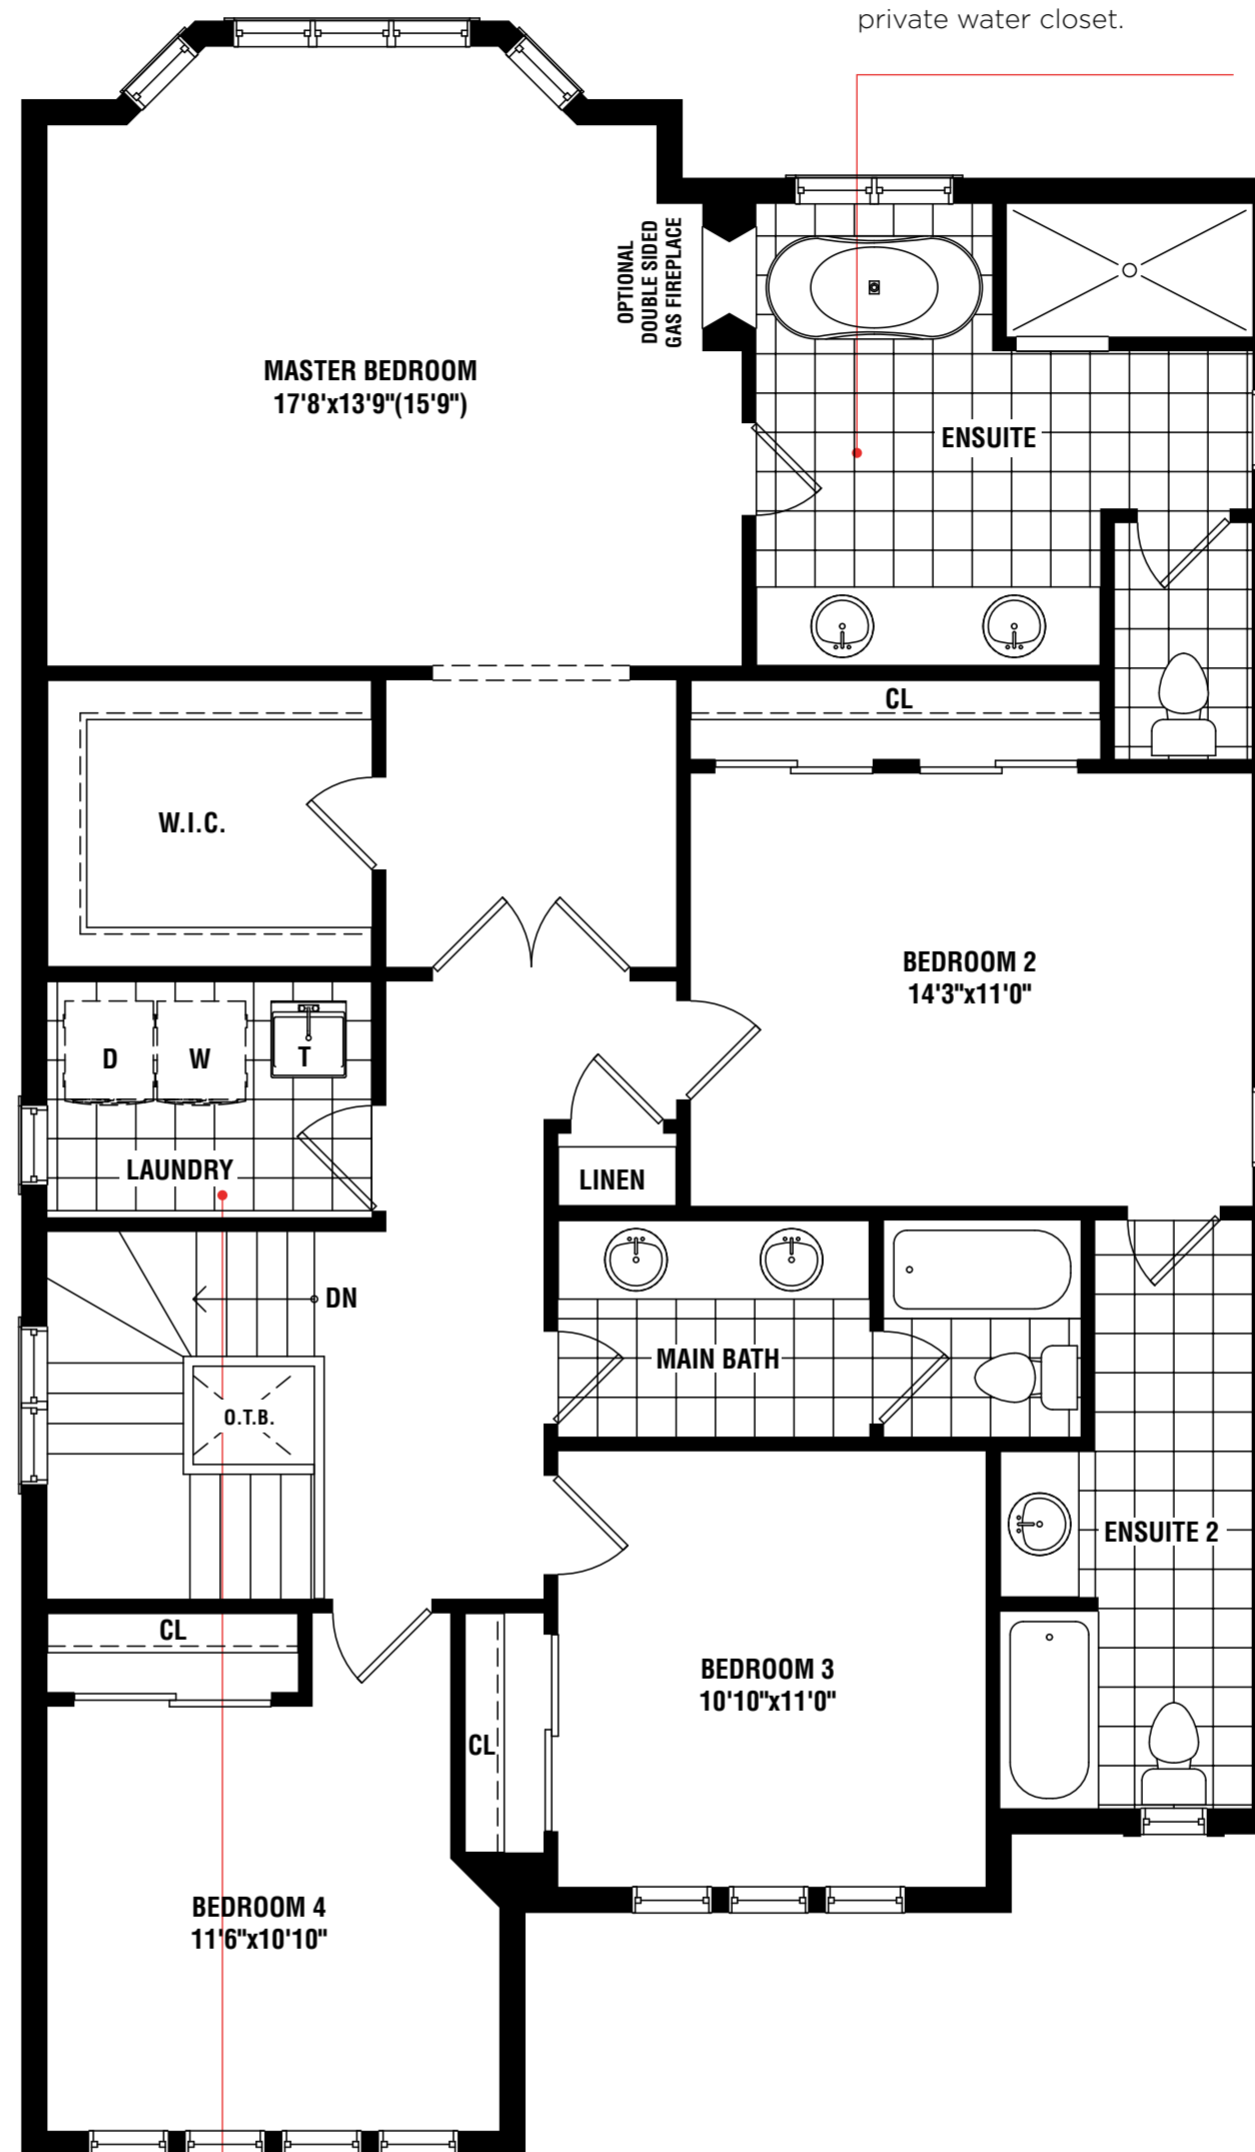

The master ensuite features a large soaker tub, his and hers sinks, shower and private water closet.

FIRST FLOOR ELEV. 'A'

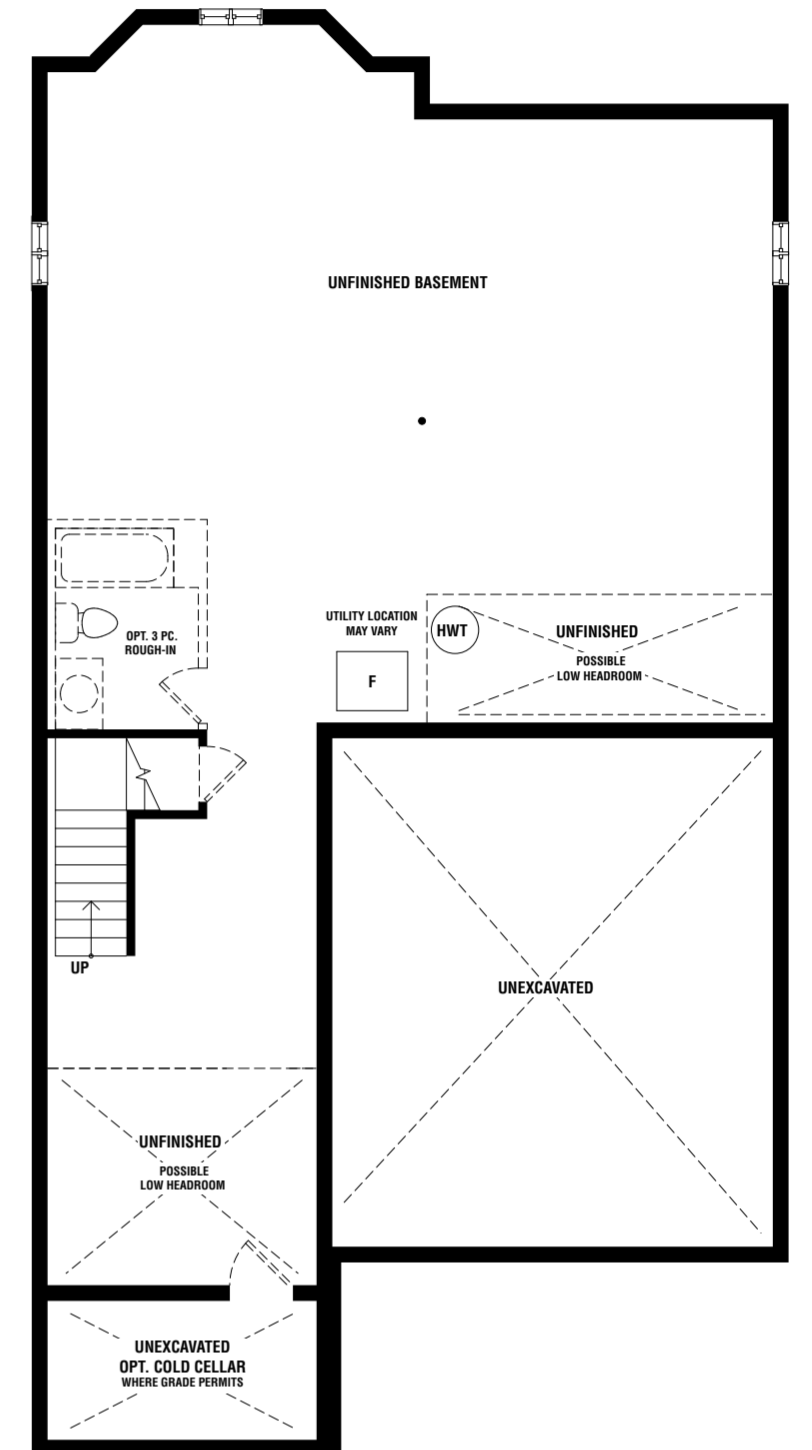

Dropping off the groceries has never been easier with a well-placed door providing easy access to the kitchen via the mudroom.

If you're in need of a central workspace in your home, consider the optional chef's desk adjacent to the kitchen.

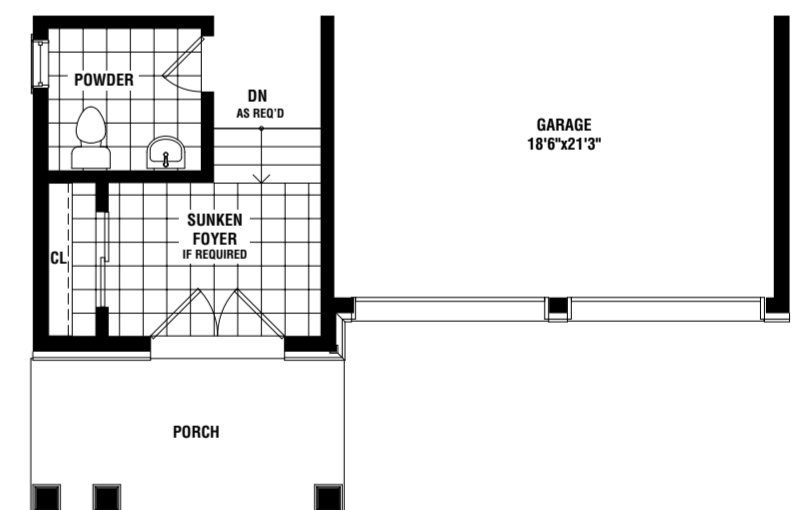

SECOND FLOOR ELEV. 'A'

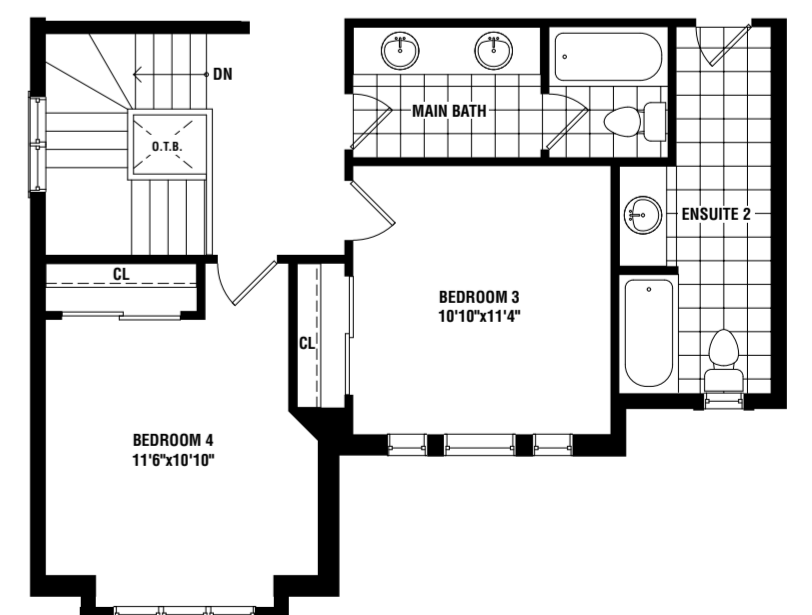

A second floor laundry room is conveniently situated right at the top of the stairs, making it easy to always be well stocked with fresh clothes and linens.
