Open concept living is at its best with this stylish and inviting main floor plan.

An expansive walk-in closet in the master suite gives you plenty of space for your all-season wardrobe.

A grand home deserves a grand entrance, and that's exactly what you get with this well lit and stylish foyer at the front of the home.

The main floor mud room and laundry room offers direct garage access, creating a convenient hub for maintaining a clean and orderly home and providing easy access to the basement.

Bedroom 4 offers exceptional storage space with a large walk-in closet of its very own.
