Perfect for entertaining, this open concept dining room and great room is ideal for everything from intimate dinner parties to large family celebrations.

This enormous kitchen features a flush breakfast bar on the large kitchen island, ample cabinet space and optional pantry.

Your master suite includes an enormous walk-in closet and expansive main area with optional tray ceiling.

The master ensuite features a large tub, his and hers sinks, and shower.

This charming main floor den is the perfect place for a home office, media room, or homework area.

This wraparound covered porch and a grand double doorway make for an inviting entrance to your home.
